

Fragile Palm Leaves

MS ID 2758

Room 3A

*rūpasiddhī atthakathā nissya*

Handwritten text in a cursive script, likely a letter or document, written on a single sheet of paper. The text is dense and fills most of the page. There are two large, dark circular marks, possibly holes or ink stains, visible on the left side of the page.

Handwritten text in a cursive script, likely a letter or document, written on a single sheet of paper. The text is dense and fills most of the page. There are two large, dark circular marks, possibly holes or ink stains, visible on the left side of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the page. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. There are several large, dark ink blotches or holes visible in the text, possibly due to damage or erasure. The paper is aged and yellowed.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single line across the page. The script is dense and difficult to decipher, but appears to be a form of early modern European cursive. There are several large, dark ink blotches or holes visible in the text, possibly due to damage or erasure. The paper is aged and yellowed.

Main body of handwritten text on the first strip, written in a cursive script. The text is densely packed and spans the width of the strip.

Main body of handwritten text on the second strip, continuing the script from the first strip. The text is densely packed and spans the width of the strip.

Handwritten signature: *Wm. Lloyd Garrison*

Handwritten text in Burmese script, likely a historical document or manuscript. The text is written in a cursive style and covers the entire width of the strip. There are two distinct circular holes visible, suggesting it was once part of a bound volume or a chain of pages. The script is dense and fills most of the space between the two holes.

Handwritten text in Burmese script, continuing from the strip above. The text is written in a cursive style and covers the entire width of the strip. There are two distinct circular holes visible, suggesting it was once part of a bound volume or a chain of pages. The script is dense and fills most of the space between the two holes.

Handwritten text in a cursive script, likely Persian or Arabic, covering the top half of the page. The text is dense and fills most of the horizontal space. There are two prominent dark circular marks, possibly holes or ink blots, located approximately one-third and two-thirds of the way across the page.

Handwritten text in a cursive script, likely Persian or Arabic, covering the bottom half of the page. The text is dense and fills most of the horizontal space. There are two prominent dark circular marks, possibly holes or ink blots, located approximately one-third and two-thirds of the way across the page.

Handwritten text in Burmese script, consisting of approximately 10 lines. The script is dense and cursive, typical of traditional Burmese manuscripts. There are two small circular holes visible in the paper, likely from binding.

ကလေးတို့

Handwritten text in Burmese script, continuing from the top strip. It consists of approximately 10 lines. The script is dense and cursive. There are two small circular holes visible in the paper, likely from binding.

Handwritten text in a cursive script, likely Persian or Arabic, covering the first strip. The text is dense and fills most of the strip's width.

Handwritten text in a cursive script, likely Persian or Arabic, covering the second strip. The text is dense and fills most of the strip's width.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or letter. The text is written on a single sheet of paper with two visible holes for binding. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or record, possibly related to a legal or administrative matter. The script is dense and fills most of the page.

Handwritten text in a cursive script, likely a historical document or manuscript. The text is written in a dark ink on aged, slightly discolored paper. It appears to be a continuous narrative or record, possibly related to a legal or administrative matter. The script is dense and fills most of the page.
